---	-------------------	----

## **Part I**

# **Softwares and Technologies**

## *Introduction*

This section of the book contains some of the softwares, packages, tools and Technologies that I use on the regular basis.

It also have some of modification that are included into those softwares to various of reasons.

# *Text Editor*

THE TEXT EDITORS are the first and foremost thing that is required by any kind of programmer, irrespective to its domain of interest.

Terminal based Editor(VIM), GUI Editor(Visual Studio code)

## *VIM*

### *Key Bindings*

Table 1 shows the key bindings of vim, for more details refers to vim config file.

key	Event
j	Down
k	Up

Table 1: Vim key bindings.
